

Super Clinic - Insurance Policies

Sample document for Doctor Assistant RAG demonstration project.

1. Accepted Insurance Providers

Super Clinic currently accepts the following insurance providers:

- ABC Health Insurance
- XYZ Care Insurance
- National Health Plan
- Prime Medical Coverage
- Family First Health Insurance

2. Cashless Treatment Eligibility

Cashless treatment is available for eligible policy holders of participating insurers. Patients must present a valid insurance card and government-issued identification. Pre-authorization may be required for specialist consultations and procedures.

3. Outpatient Consultation Coverage

Coverage varies by policy. Orthopedic, Dermatology, Cardiology and General Medicine consultations may be covered depending on the member's plan benefits.

4. Claims Process

Patients seeking reimbursement should submit:

- Consultation receipt
- Doctor prescription
- Diagnostic reports (if applicable)
- Insurance claim form

5. Frequently Asked Questions

Q: Does Super Clinic accept ABC Health Insurance?

A: Yes.

Q: Is cashless consultation available?

A: Available for eligible plans and participating providers.

Q: Are specialist consultations covered?

A: Coverage depends on the specific insurance policy.
